BIOGRAPHY

Fadi Youness, MD, is a Staff Physician in the Imaging Institute at Cleveland Clinic Abu Dhabi. Dr. Youness is well-versed in all aspects of Interventional Radiology, such as oncology, vascular and hepato-biliary interventions, amongst others.

Prior to joining Cleveland Clinic Abu Dhabi, Dr. Youness worked at Makassed Hospital in Beirut for three years. He later moved to the US to join the University of Iowa Hospitals and Clinics in 2005 as Clinical Assistant Professor in Interventional Radiology. Dr. Youness was promoted to Clinical Associate Professor in Interventional Radiology in 2014.

Dr. Youness has authored and co-authored over 19 publications in major medical journals and contributed chapters in several medical books. He has also lectured in many universities and medical meetings at an international level.

Dr. Youness earned his medical degree and completed his residency in Radiology at the American University of Beirut. He completed his fellowship in Vascular and Interventional Radiology at the University of Iowa in 2002.

Dr. Youness resides in Abu Dhabi with his wife and three children.
