BIOGRAPHY

Dr. Fawad Khan, MD, is a Family Medicine Consultant at the General Medicine department in Cleveland Clinic Abu Dhabi. Prior to joining Cleveland Clinic Abu Dhabi, Dr. Khan served as a Medical Director for Ambulatory clinics at Mediclinic Alnoor Hospitals Group. He continued his clinical practice as a Physician while establishing a Family Medicine program and a strong clinical governance system across the network of clinics. He played a key role in developing Best Practice Guidelines, Policies, Physician Appraisal process and CME program to provide high standards of care.

Prior to Mediclinic Alnoor, Dr. Khan worked at Malling Health Group in England as a Lead Clinician. He was involved in various Clinical Quality activities and served as Lead Clinician at Dartford and Gravesham Commissioning Group for Malling Health. He developed a Special Interest in Musculoskeletal Medicine.

Dr. Khan went through Family Medicine Training Program at Grampian University Hospitals, UK after earning a medical degree from Allama Iqbal Medical College in Lahore, Pakistan.

He lives in Abu Dhabi with his wife and two children.
